Team up with the Goldeyes to support the Winnipeg Goldeyes Field of Dreams Foundation with the K's For Kids promotion.

All you have to do to take part in K's For Kids is to pledge an amount that you will donate towards the Field of Dreams Foundation every time a Goldeyes pitcher gets a strikeout at home during the season.

To sign up, simply complete this form and hand it in, fax or mail it to the Goldeyes office at Canwest Park or stop by the Fan Services Booth during a game.

During the 2008 regular season, Goldeyes pitchers struck out 318 opposing batter while playing at home. This means that if a fan pledged just five cents per strikeout, they would have contributed \$15.90 to the Field of Dreams Foundation.

At the end of the season, we'll total-up all the Goldeyes strikeouts and the Field of Dreams Foundation will send you an invoice or, if you wish, charge your credit card for the amount.
